One year Course

Grades 9-12

Students must apply to enroll in the AVID Program.

AVID stands for Advancement via Individual Determination and is a course offered 7th – 12th grade. It is necessary that students understand they are the key to their own success in this program. AVID is not only a class but it combines rigor and support to ensure student success in a college preparatory curriculum by teaching skills and behaviors for academic success. It includes instruction in study skills, organizational skills, communication skills, reading comprehension, writing, collaboration, inquiry, test-taking strategies, and personal development. The philosophy of the class creates strong student/teacher relationships and a positive peer group for students. AVID works to develop a sense of hope for personal achievement gained through hard work and determination.

Students enrolled in AVID are committing to the program through graduation. Interested students should see their counselor for an application.
