Dear Parents and Guardians,

We have required testing coming up next month that will impact our schedule.

During the week of April 24th our 9th and 10th grade students will be taking the required ASPIRE test. To accommodate the four sections of the test we will be running a block schedule for all students on Monday, Tuesday, Thursday, and Friday. This schedule will allow the 9th and 10th grade students who are testing to complete their respective tests while still supporting all other students in their classes with their regularly assigned teacher. In the schedule, students will meet with their 1-4 hour classes for a 90 minute period on Monday and Thursday and their 5-8 period classes on Tuesday and Friday. Those days will include a one hour lunch period. We will be serving lunch in our building all week. As usual, only juniors and seniors are allowed off campus during lunch. Students are required to be at school for all assigned classes and study halls throughout the week. Wednesday will be run on our standard Wednesday schedule.

Thank you.
