

Hello Parents & Guardians

MFHS Parent/Teacher Conferences are Nov. 1st 4:30-8pm, Nov. 2nd 4:30-8pm and Nov. 3rd 12:00-4:00pm. You can now sign up for Parent/Teacher Conference – click on [MFHS Fall Conferences](#) to direct you to the website listing all teachers available for conferences.. When you click on the teacher's name, a new browser tab will open and you can sign up for a time slot you prefer for that teacher and Submit and sign up. Please sign up using your child's first and last name. When you are done with one teacher, you will need to click the other tab at the top (called: Sign-Up Results) to see a list of all teachers again. Please repeat the process for all teacher's you would like to see. All conference slots will be filled on a first-come first-serve basis. If a time slot does not appear, the teacher is not available during that time. Please only sign up for one 10 minute time slot per teacher. Please make sure you write down your teachers and scheduled times and bring with you to conferences. We will not have a copy. You do not have to create an account – but if you choose to create an account this will manage the items you signed up for and receive a reminder email.

Thank you for your cooperation.
